We're thrilled to invite you to our upcoming virtual series of complimentary continuing education (CE) events, led by Jalessa Cherry, LCSW, LCAS, CCS, ADHD-CCSP.

Scan to Register

This no-cost training series is exclusively offered to our valued partners and features three unique courses, each providing 1.5 to 2 CE credits. These sessions are designed to enhance your knowledge and provide practical skills relevant to the field of addiction treatment. Participants are welcome to attend one or all three courses in the series!

## **Mental Wellness**

**Saturday, May 24, 2025, 10-12pm EST**

This course examines common co-occurring mental health conditions that affect individuals experiencing addiction and addresses skills of clinical assessment and counseling services. (2 CEs)

## **Building and Maintaining Connections through Compassionate Care**

**Wednesday, May 28, 2025, 1-2:30pm EST**

This course explores methods to demonstrate compassion in difficult situations, develop strategies to foster and sustain compassion throughout your professional career, and addresses skills of counseling services and legal, ethical, & professional development. (1.5 CEs)

## **Intro to Recovery Capital & Building A Recovery Oriented System of Care**

**Tuesday, June 3, 2025, 6-7:30pm EST**

This course examines the components of a recovery-oriented system of care, identifies strategies to strengthen recovery capital, and addresses skills of case management, discharge & continuing care. (1.5 CEs)

Jalessa is a dual-licensed clinical social worker and addiction counselor. She has extensive expertise in providing clinical training and supervision to mental health and addiction treatment professionals. She is trained in evidence-based treatment modalities, including EMDR, CBT, and behavioral activation. Her diverse professional background encompasses roles in inpatient psychiatric settings, mobile crisis intervention, behavioral health primary care, and outpatient mental health and substance use treatment.
